

STUDIO RHODE PILOT STARTING POINT

List a benchmark or strategic plan goal that your project will address

Break this down into discrete library/staff actions

Place the library/staff action(s) from the previous page in the blank spaces below

If the library action is implemented successfully what resultant effects should you see in the library/community?

IF _____

THEN _____

IF _____

THEN _____

IF _____

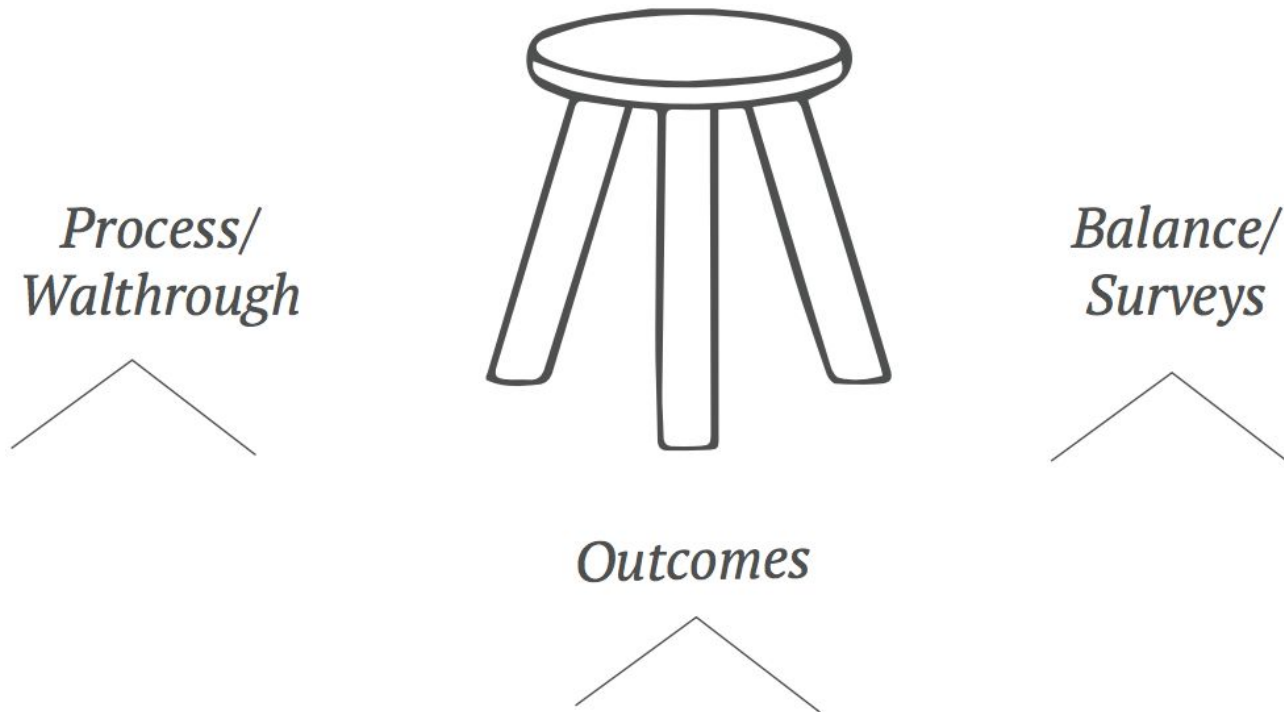

THEN _____

IF _____

THEN _____

OUR THREE-LEGGED STOOL OF METRICS

Document the types of data you will collect to evaluate the project activities against the assumptions you made on the previous page

TO SCALE OR NOT TO SCALE?

Describe your measurement process:

Checkpoint 1:

Checkpoint 2:

Checkpoint 3:

Checkpoint 4:
