**WHY STATEWIDE
DATABASES
ARE A WIN/WIN
FOR ALL RHODE
ISLANDERS**

**LEVELS THE
PLAYING FIELD!**

- Provides all citizens with “one-stop” access to millions of information items at home, work, school or library.
- Promotes academic excellence by providing quality research materials.
- Encourages economic growth by providing cutting-edge business information.

COST EFFECTIVE!

- Statewide purchasing will provide an economy of scale resulting in competitive pricing for all libraries.
- 46 states already provide their citizens with this type of information.
