Office of Library & Information
Services and the LORI
Resource Sharing Working
Group Present

Envisioning the
Future of
Resource Sharing
In Rhode Island:
Aspiration Meets
Practicality

The LORI Resource Sharing Working Group invites library staff to come together to ponder our library landscape in Rhode Island and envision the possibilities of the future. In what ways can we share and cooperate to maximize our resources and provide excellent service? Let's look at the big picture together to imagine a dynamic and thriving library community for years to come.

*Thursday, October 13
9:30 to 3:00
Bryant University
Douglas and Judith Krupp
Library Bello Center*
