I Stink! by Kate and Jim McMullan

Try This!

Pretend to be a garbage truck and scoop up things around the house. What sounds can you create with each object? Can you crinkle it? Can you shake it? Does it sound like a drum? A bell? Can you play it loud? Soft? Ask members of your family to play the “trash” with you. Become a marching “trash” band. Draw a picture of your band in the box.
