

## Read This!

**ABC Kids** by Laura Ellen Williams

## Try This!

Write a letter of the alphabet on the outside of a paper bag. (Someone can help you.) Say the sound of that letter. Have fun finding objects that start with the same sound and putting them in your bag. You can also use scissors to cut pictures out of magazines and newspapers. When you are finished, draw a picture of a few items from your collection on the bag above. Be sure to write the letter too!
